The 48th Annual CLEFT PALATE & CRANIOFACIAL ANOMALIES SYMPOSIUM
presented by the Cleft Palate Center at Providence Saint John’s Health Center

LEARNING OBJECTIVES
Participants will be able to describe the role of interdisciplinary team care and determine for themselves the role of the community providers. Participants will be able to explain up to three different methods in evaluating the velopharyngeal mechanism. Participants will be able to identify new modified feeding techniques, in addition to care tailored to their unique specialty.

Program : Saturday, November 19, 2016
DoubleTree Suites by Hilton, Santa Monica, California

7:15am  Registration
7:45am Welcome & Invocation

Jerald Moon, PhD,* Professor and Director of Undergraduate Studies in the Department of Communication Sciences and Disorders at the University of Iowa. Past President of the American Cleft Palate-Craniofacial Association, Former Editor of The Cleft Palate-Craniofacial Journal.

Alessia Johns, PhD,* Pediatric Psychologist, Craniofacial Team, CHLA

Barbara Moore, MA, CCC-SLP,* Private Practice, Lecturer, Chapman University

Aaron Tanner, MS, CCC-SLP,* Speech Language Pathologist, CHLA

SUPPORT • Support and leadership for the Cleft Palate Symposium’s professional and community outreach have been provided by Sister Maureen Craig, SCL, Marcel Loh, Chief Executive Officer, and medical director Mark Urra, MD, DDS, along with the Saint John’s Foundation. We continue to explore advances in behavioral, as well as reconstructive disciplines which contribute to improved outcomes for individuals with cleft palate and craniofacial anomalies. We look forward to sharing and learning with our patients, colleagues and the community.

SPECIAL THANKS • The staff of Saint John’s Cleft Palate Center expresses its sincere appreciation for the generous continuing support we receive. We would especially like to recognize the Native Sons of the Golden West.

SAINT JOHN’S CLEFT PALATE CENTER TEAM
