Cleft Team Care: Moving Forward Together

The 47th Annual Cleft Palate and Craniofacial Anomalies Symposium presented by the Cleft Palate Center at Providence Saint John’s Health Center

SYMPOSIUM FOCUS: ADVANCES IN CLEFT CARE

Cleft lip and/or palate is now the most common birth anomaly. Care of the patient with a cleft is an evolving science. David P. Kuehn, PhD, who has been chosen to deliver the prestigious Willard R. Zemlin Memorial Lecture on Speech Science at the 2015 ASHA convention in Denver, will be our featured speaker. Dr. Kuehn has made a career of studying speech science and the anatomy and physiology of the speech mechanism and cleft palate, with specific emphasis on the velopharyngeal region. He utilizes magnetic resonance imaging (MRI) to facilitate this ongoing research. He is working on universal measures that interface with community providers.

Participants will be able to describe the various methods of evaluating the speech mechanism and resonance disorders.

LEARNING OBJECTIVES

- Participants will understand the role of interdisciplinary team care and a smooth transition important in the care of children with cleft with the help of guest speakers and Team members these will be explored.
- Participants will be able to apply new techniques in cleft care appropriate to their specialty.
- There are a range of other specialities important in the care of children with cleft palate regardless of the native language of the affected individual.

DoubleTree Suites by Hilton, Santa Monica, California

Program: Saturday, November 21, 2015

Symposium Fees:
- $757 Professional
- $500 Student/Provider/Employee
- $50 Families

Seven hours (7) California State CEU’s available for nurses, provider number CEP490, and speech pathologists.

The Cleft Palate Center at Providence Saint John’s Health Center presents the 47th Annual Cleft Palate & Craniofacial Anomalies Symposium
SATURDAY, NOVEMBER 21, 2015
Doubletree Suites by Hilton
1707 4th St., Santa Monica, CA • 310/395-3332

GUEST SPEAKERS
David P. Kuehn, PhD, Professor, Department of Speech and Hearing Science, University of Illinois, Professor Emeritus, Department of Speech and Hearing Science, University of Illinois Urbana-Champaign; Past President of the American Cleft Palate Craniofacial Association
Alessia Johns, PhD, Pediatric Psychologist, Craniofacial Team, CHLA
William Magee III, MD, DDS, Director of International Programs, Department of Plastic & Reconstructive Surgery, CHLA
Barbara Moore, MA, CCC-SLP, Private Practice, Lecturer, Chapman University
Aaron Tanner, MS, CCC-SLP, Speech Language Pathologist, CHLA
Pedro Sanchez, MD, Director of Craniofacial Genetics, CHLA
Stephen Yen, DMD, PhD, Orthodontist, Craniofacial Team, CHLA

SUPPORT • Support and leadership for the Cleft Palate Symposium’s professional and community outreach have been provided by Sister Maureen Craig, SCL, Marcel Loh, Chief Executive Officer, and medical director Mark Urata, MD, DDS, along with the Saint John’s Foundation. We continue to explore advances in behavioral, as well as reconstructive disciplines which contribute to improved outcomes for individuals with cleft palate and craniofacial anomalies. We look forward to sharing and learning with our patients, colleagues and the community.

SPECIAL THANKS • The staff of Saint John’s Cleft Palate Center expresses its sincere appreciation for the generous continuing support we receive. We would especially like to recognize the Native Sons of the Golden West.

SAINT JOHN’S CLEFT PALATE CENTER TEAM
Mark Urata, MD, DDS
Medical Director, Plastic/Maxillofacial Surgeon, Program Chair
Behrad Aynehchi, MD, Otolaryngologist
Nicole Cheng, DDS, MS, Orthodontist
Sister Maureen Craig, SCL, Pastoral Care
A. E. Davie, MD, Pediatrician
Amy Gimlen, DDS, MS, Orthodontist
Jeffrey Hammoud, MD, DDS
Plastic/Maxillofacial Surgeon
Julia Hobbs, MA, CCC-SLP
Speech Language Pathologist, Program Co-Chair
Carrie Loewen, DDS, Pediatric Dentist
Ann Masson, RN, BSN
Nurse Coordinator, Program Co-Chair
Michael McGuire, MD
Plastic/Reconstructive Surgeon
Chipp St. Kevin Miller, MD
Otolaryngologist
Stanley Miyawaki, DMD, MS, Orthodontist
James Malick, DDS, MS, Orthodontist
Yoohi Seogangchi, MD, Pediatrician
Phillip Trask, DDS, MS, Pediatric Dentist
Valery Winkler, MD
Geneticist, Pediatrician
